

Volunteer Expression of Interest

We invite you to support the work of the Innisfail State College Parents' and Citizens' Association. The P&C manages the tuckshop, runs fundraising activities, has a voice in college decision making and provides funding for various projects in the college. A Volunteer Blue Card is required to undertake any of these activities. If you don't hold a current Blue Card please contact the college on 07 4078 0222 to assist you with obtaining this.
